

The Golden Parachute

Program Overview

THE GOLDEN PARACHUTE is a new investment program developed by Diversified Trade Company, LLC designed specifically for the franchise industry. **THE GOLDEN PARACHUTE** is an investment program designed to assist franchise systems to sell more franchises, therefore, stimulating the U.S economy through job creation using private investors.

THE GOLDEN PARACHUTE Investors

THE GOLDEN PARACHUTE Investors are private investors who provide equity, with moderate risk, for qualified U.S entrepreneurs to buy U.S. franchises. Each investment of a minimum of \$500,000.00 is made into the business, allowing the U.S. entrepreneur to start a new franchise business, while most importantly, creating U.S. jobs for U.S. citizens.

THE GOLDEN PARACHUTE participating Franchise Systems

DTC has reviewed each interested franchisors' Financial Disclosure Document, standing with the Federal Trade Commission, current financial standing and ability to yield ten (10) full time, direct jobs. **THE GOLDEN PARACHUTE** already has several franchisors supporting this program and referring applicants. With the number of inquiries, DTC expects the number of participating franchise systems to grow significantly and to be a major source for job creation and the reduction of unemployment.

4 Easy Steps:

Step 1: Franchisee sends Golden Parachute application

Step 2: Golden Parachute reviews financials and business plan to ensure business success

Step 3: Golden Parachute approves / disapproves application for investment to new franchise

Step 4: If approved, investment is made to new franchise

Program Highlights:

- This is an investment, not a loan program
- No personal Guarantees required
- No Collateral required
- Business Development / Technical Support provided

Interested applicants should complete the Contact Page and in Question Section, ask for an application. Interested investors, franchises, etc, should reference their specific request in the Question Section.
